

## INFORMATION LETTER

# The 18th International Scientific Congress “PUBLIC ADMINISTRATION OF THE 21st CENTURY: World Practices and National Prospects”

April 26, 2018

The 17th International Scientific Congress “Public Administration of the 21st Century: World Practices and National Prospects” is to take place in Kharkiv Regional Institute of Public Administration of the National Academy for Public Administration under the President of Ukraine (KRI NAPA) on April 26, 2018.

The Congress **aims** to summarize and present the results of public management and public administration research and state formation practices, as well as advance proposals to enhance the efficiency of government institutions and local government.

We **invite** researchers, academics, civil servants, local government officials, doctoral and postgraduate students, mass media and NGO members, and other interested parties to participate in the Congress.

The working languages of the Congress are *Ukrainian, English*.

The Congress **begins** its work at **10 a.m.** on **April 26, 2018**.

The Congress will start with a **Plenary Meeting** followed by **discussion platforms** on the subjects:

1. Formation and development of the public administration system in Ukraine
2. The world in the 21st century: the current geopolitical challenges to Ukraine.
3. Territorial community from the perspective of power relations decentralization.
4. Institutional framework for socio-humanitarian development of the state.
5. Economic policy of Ukraine under decentralization of power and administration.
6. IT-sphere for public administration: designing the future.
7. Adaptation of the national legislation to the modern standards of the European law.
8. Public administration in the European countries: best practices for Ukraine (in English).

Prior to the event, **Proceedings of the Congress** will be published.
